Good morning all, I was wrong about this. The ordinance at Arts Committee today just applies to parks.

Raquel has shared with me the ordinance for parks and the public right of way will likely be heard at the Ad Hoc Committee on Homelessness.

Thank you, Marie

Just a quick heads up. The Lavan ordinance is at Arts Committee on Monday at 2pm. This ordinance will reduce the posting time on personal goods in the public ROW to 24 hours and states tents must be broken down/removed between 6am-9pm.

The item has been approved by the PW committee and should pass. I do plan to attend.

Marie
